CHARLEMAGNE;

MYSTERIES OF THE MAGICIAN GRIMWALD.

BY MISS E. B CLARK.

The broad nallid light of the moon streamed upon the deserted streets of Paris, and its lowmud-walled houses were hushed in the quiet of repose, on a glorious summer's night, a thousand years' ago.

Beside an open casement, in one of these silent abodes, sat a young girl in an attitude of deep thrown back upon its hinges, and a ghastly splen-dor from the skies fell full upon her thoughtful features. Even when invested with this deceptive radiance, the countenance of the damsel appeared far from beautiful; but there was a passionate carnestness of soul beaming from her dark, upraised eyes, which evinced that there was

A few straggling moonbeams revealed the interior of the dwelling. It apparently consisted ry scene, of one large comfortless apartment, with a small square closet in the centre, into which there was no obvious entrance. Unhawn rafters projected from the outer walls, whose interstices were filled with a stiff cement of clay; but the partitions of the inner room were constructed with scrupulous nicely. WINDIAN VEGETABLE PILLS 20 The true character of Counterfeiters and sellers of counterfeit Medicines.

NO medicine has ever been introduced to the American public, whose virtues have been more cheerfully and ansversally neknowledged by its rast popularity and extensive circulation than 'Wright's Indian Vegetable Pills.' To descant upon their various virtues at this late season would be a work of supererogation, since few who peruse this article will be found unacquainted with the widely circulated proofs of Henry Clay.—This corrupt and worn out politician is determined to keep up the game of deception practiced in 1840. He is already everything to all men—a free trade man at the south, a bigh tariff man with the Northern many solling and uppracipled men, have in different solling, and throughout tariff man with the Northern many with the Norther
